

WILD TIDE LOVE

LET'S TELL YOUR STORY, TOGETHER

Congratulations on your engagement! We can't wait to hear about your adventure and are so pleased you are thinking about working with us. We are lovers of the ocean, live by the tides and let our storytelling flow in the same way. We have been shooting weddings for 10 years now, and we love every minute! Our relaxed and creative approach to your wedding means that you can forget all about the camera and enjoy every breath of the day. We're all about adventures in the wild, woodland ceremonies, ocean backdrops and capturing the soul in every smile. Our people are the ones who aren't afraid to get outside, the ones who run with the tide, who live with sand between their toes, who adventure into the sunset - who love so freely that anything is possible. Our photography style is ultra-relaxed and reportage in vibe - we blend into your guests as though we were one of them, giving us the perfect perspective from which to engage with the essence of your day. We love to get creative for your couple shots, finding unexpected locations to capture beautiful, adventurous and truly personal photos that reflect not just what you wore and where you got married, but your personalities, emotions and dreams. We're based in Cornwall, but our adventurous hearts love to wander all over the world to be part of the weddings and visions that we truly connect with.

## *BEFORE THE WEDDING*

Our packages include an online consultation to go over your plans for the day, so we can get to know you before the main event. We know that every couple is unique, so our packages are just a guideline to help you plan - we're always more than happy to spend time with you tailoring a bespoke arrangement to deliver your vision. We offer a truly individual service and limit our annual bookings to ensure the highest technical quality and that you are experiencing a premium service. We love to hear about your wedding when booking, we then send over our consultation forms to talk about your big day two months before your date along with your final invoice and a timeline to fill out. Together, we will go through the finer details of your weddings, creating a timeline of your day and the important photography shots so your day can be as laid-back as can be. We also recommend an engagement shoot to get to know us, these are best in the great out-doors, in a place that means something to you. Please note, if required to travel outside of Cornwall, expenses will be added at 50p per mile. Due to limited availability engagement shoots and consultations must be in Cornwall.

## *ON THE DAY*

We like to dedicate a certain time on your wedding day, usually about an hour to do couple shots and group shots, as discussed pre-wedding, but apart from that we would just be in the background documenting everything going on, we don't like to intrude on your wedding day but rather be behind the scenes capturing the spirit of your wedding. The best time for your couple and group shots are straight after the ceremony, when all your guests are still around. This means you can enjoy the rest of the day with ease. On gloriously sunny days, we sometimes move the couple photos to golden hour and make the most of the sunset. The more time we have to capture your couple and group shots, the better the photos are going to be. We always ask for an usher or bridesmaid to help for group photos so they can go as quickly as possible!

## *AFTER THE WEDDING*

Your wedding photos and film will arrive in one of our beautiful rustic wedding boxes. The box includes a bundle of 6×4 prints for that moment of instant gratification we all share the first time we see our wedding pictures! All your photos will be safely stored on USB so that you can re-live and re-post your day as much as you like. We aim to deliver your images and film between 2-4 weeks after the wedding, ensuring that even during the busy summer season we have enough time to complete post-production and our finishing flourishes, delivering you the very highest quality.

## CO-OPERATION

The client will be responsible for, or have someone designated to, identify people of whom specific photographs are desired for group photos.

## THE SCHEDULE

Both the Wild Tide Love and the couple agree that punctuality and co-operation are essential. A good faith effort will be made to capture any requested photographs but due to the rapid pace and unpredictable nature of wedding photography it is impossible to guarantee that specific requested photographs will be captured.

## ARTISTIC LICENSE

Wild Tide Love shall be granted artistic license and the photographer's judgement regarding posing, lighting, locations used, photographing and editing shall be deemed correct. All decisions made are in the best interest of the client who will be given the highest quality selection from the images taken. RAWs will never be given to the client.

### PAPARAZZI WEDDING GUESTS

Wild Tide Love is to be the sole and exclusive professional photographer and videographer. It is understood that wedding guests will of course want to take photos of the couple, however, the photographer and videographer must be given precedence over your guests in order to take the wedding photographs required. Wild Tide Love cannot be held responsible for lack of wedding photos if guests taking their own photos of the couple have interrupted the photographer's and videographer's work.

### HOUSE RULES

Please note that photographers and videographers are sometimes limited by rules imposed by registrars, ministers and venue management as to what can and cannot be done. For example, some ministers insist that no flash photography is allowed and others insist that photographers can only shoot from a specific location. In such circumstances the couple agree to accept the technical limitations that may be imposed on the equipment used. It is advised that the couple make themselves aware of the rules of the venue and if necessary negotiate with the personnel concerned.

### COPYRIGHT LAW

English Copyright Law states that the copyright of photographs remains with the photographer. Wild Tide Love grants the couple permission to make copies of the images under the following conditions. The images and film taken by the photographer are for personal use by the couple and their friends and relatives. A photographers credit must always be given when using the images. Selling, publication or any commercial use of the photographs or film is not allowed without prior written permission from the photographer. The couple are not permitted to pass on images to any third party, such as suppliers, that will be used for marketing or advertising purposes without written consent from the photographer and videographer. The couple are not allowed to edit any images.

### MODEL RELEASE

The couple grant the photographer and videographer the irrevocable and unlimited consent to use the photographs and film for editorial, competition, advertising and any other purpose.

### LIMIT OF LIABILITY

If the photographer is too ill or becomes injured and cannot supply the agreed wedding services, then the photographer will make every effort to find a replacement photographer for you. If for whatever reasons, the photographer or videographer is unable to find a replacement, liability is limited to a refund of any payments received.

Wild Tide Love has working methods in place to prevent the loss or damage to your images. However, there is the unlikely possibility that images may be lost, stolen or destroyed for reasons beyond the photographer's control. In these circumstances, liability is limited to the return of fees paid or part thereof according to the percentage of images supplied.

#### RE-SCHEDULING

Written notice must be given to Wild Tide Love should you need to re-schedule your booking, but in doing so shall result in a £150 re-scheduling fee. Wild Tide Love will do their very best to be as flexible as possible, however should the client decide to re-schedule and will not accept Wild Tide Love dates of availability, Wild Tide Love will be forced to cancel the client's booking and retain the deposit plus a £350.00 cancellation fee.
